---------------------	--------------------------------------	-----------------------	-----

FEATURES

Easier operation through:

- > Socket flap opening a further 43°
- > Redesigned making it 36% lighter to open
- > Larger flap latch, especially easier to use when located above another product
- > More access to plug lock-ring

Improved strength & reliability through:

- > Flap redesigned, 20% more strength
- > Side pivot bungs removed
- > New flap gasket, less memory
- > Captivated terminal screws in 16A & 20A sockets
- > New cover gasket, now IP66 without the need for No9 caps
- > Laser engraved ratings

Design profile and aesthetics improved, reducing dirt build up areas

Maintains existing features associated with 56 Series:

- > Transparent hinged flap
- > Automatically snaps shut when plug is withdrawn
