

# DATASHEET PDL395CSG

Iconic™ Connected Socket, Wiser, Grid, Twin, Horizontal 10A 250V

## Application

The Iconic Connected socket is perfect for running lamps, AV equipment, electric blankets, hair straighteners or other plug-in appliances. Using the scheduling or timer functionality, your customers won't have to remember to turn off appliances every time.

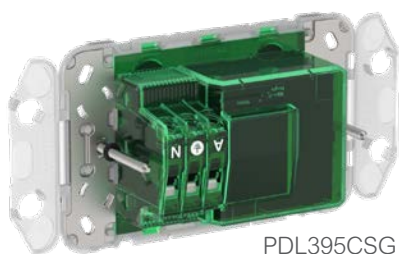

The Iconic Connected socket provides smart app controlled independent switching of each socket outlet. With 24 hr timer, 24/7 scheduling and sunset switch functions, it provides added convenience, security, energy savings and peace of mind for your customers.

## Features:

- Quick and easy to install - same wiring as a standard socket outlet
- Ordering parts is straightforward as the Bluetooth is in-built into the socket grid
- Simple independent control of each socket via the Wiser room App (via Bluetooth)
- App configurable 1 second - 24hr time delay with 16 x 24/7 scheduling functions
- Sunset/sunrise ability with astronomical clock tracking
- Real time clock - no need to adjust for daylight savings changes
- Copy/paste favourite settings to save time with larger installs
- Compatible Iconic skins available for purchase in Iconic, Styl and Essence colours
- Grid and Iconic Skin sold separately
