

CLIPSAL SOLIS™ RANGE

PDL by Schneider Electric is set to revolutionise switches and sockets in New Zealand homes with the new **CLIPSAL SOLIS™ RANGE**. The new optimum range comes in two series **SOLIS™** and **SOLIS™ T SERIES**, both have been designed and tested with electricians for high-end residential projects.

SOLIS™ T SERIES

- Available in four premium finishes: Platinum Aluminium, Ebony Aluminium, Brushed Brass and White Ceramic
- Distinctive and robust toggle
- Ultra slim cover (3.9mm)

SOLIS™

- Available in two premium finishes: Matte White and Matte Black
- Flush push-button
- Ultra slim cover (4.5mm)

The SOLIS™ Range key features:

- Faster installation with connected rotary dimmer (on/off push-in)
- 300 series mech format compatibility
- Robust grid & strong cover clips
- Premium aesthetics with non-intrusive LED indicator
- Smart features compatible with PDL Wiser™
